## How Do I Work With My Daycare To Ensure They Honour Our Routines?

**Open communication with your child's daycare provider is essential.**

- 1** Although daycares always need to consider all children they are caring for, **they are always open to working with the parent to ensure routines and each individual child's needs are being met.**
- 2** It will be important for you to remember that **you will need to be flexible on some routines as this will be a give-and-take relationship.**
